1. SYSTEM REQUIREMENTS

- Operating System

Microsoft Windows 10, 8.1, 8, 7, Vista, XP

Mac OSX 10.7 or later

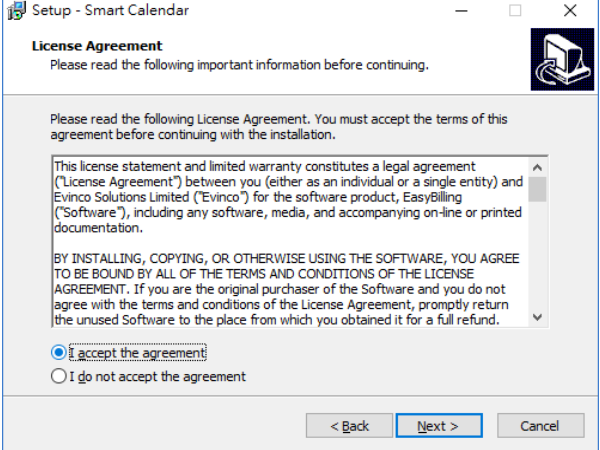

2. INSTALLATION FOR WINDOWS

2.1. Install

Smart Calendar is distributed in a CD with file, named "setup.exe". To install the software, just put the CD into your CD-ROM drive. The auto-run feature will launch the installation program automatically.

If the installation program cannot be launched, start your Windows Explorer. Locate the "setup.exe" file in your CD-ROM drive and double click it to start.

<p>1. Installation Welcome Screen.</p>	
<p>2. Specify accept the license agreement or not.</p>	

<p>3. Select the destination location.</p>	
<p>4. Select the components to be installed.</p>	
<p>5. Specify the start menu folder, and create the desktop icon.</p>	

<p>6. Start the installation.</p>	
<p>7. Installation Finish.</p>	

2.2. Uninstall

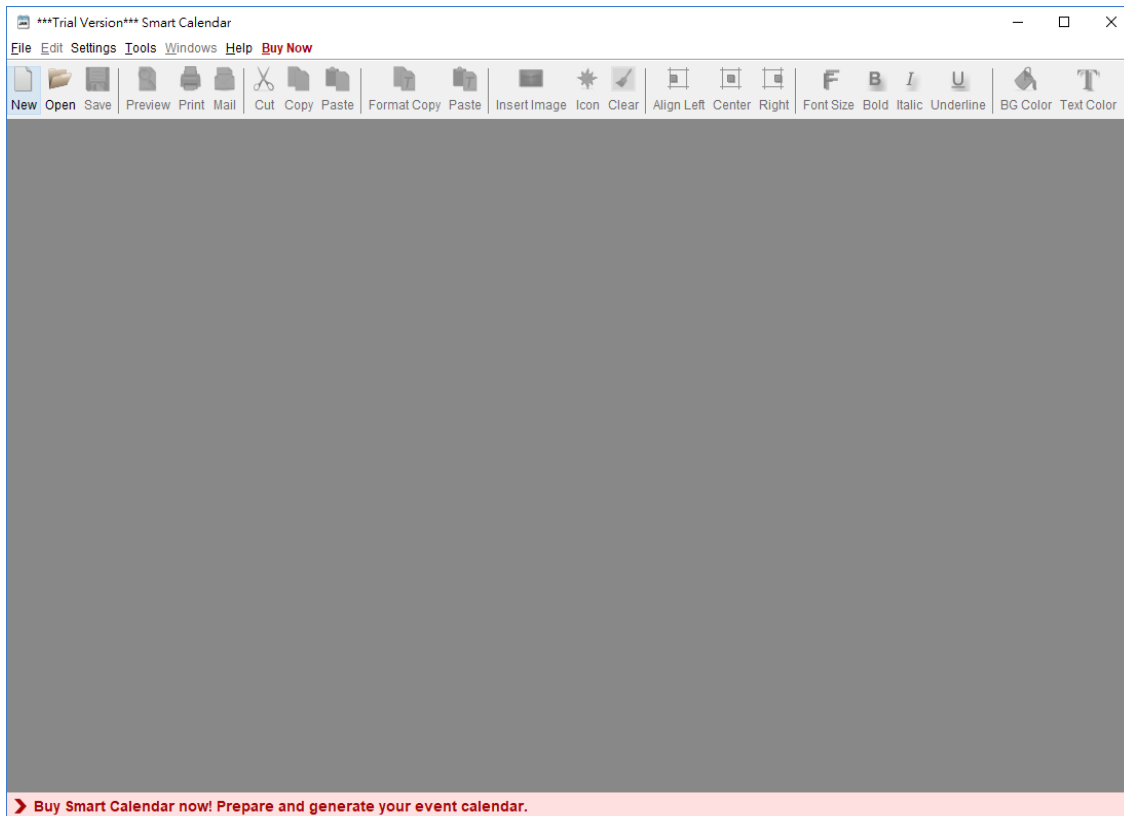

To uninstall Smart Calendar,

1. If you're using Smart Calendar, stop it.
2. Click Start, point to “Program Files > Smart Calendar”.
3. Click “Uninstall Smart Calendar”.
4. Follow the on-screen instructions. Smart Calendar will be uninstalled

3. USING SMART CALENDAR

3.1. Main Screen

The menu bar at the top has seven options, File, Edit, Settings, Tools, Windows, Help and Order Now. "Order Now" is shown in Trial Version only.

The next is the tool bar, which provides a quick access to some commonly used functions. The buttons in tool bar will be enabled or disabled depends on the file opened.

- New, Open and Save - maintain the calendar files.
- Preview, Print and Mail - preview or output your calendar into printer. It can also be set as email attachment.
- Cut, Copy and Paste - tools to edit your event in the calendar.
- Copy Format and Paste Format - tools to copy and paste the style of selected day box.
- Text Alignment, Font Style, Background Color and Text Color - change the output of your calendar events.

You can create a backup for all the software settings in Smart Calendar. Click the "Browse" button, and provides a filename to backup. The backup will be made in zip format.

5.4. Restore

You can restore the backup data to the system. Click the "Browse" icon, and locate your backup copy. The software settings will be restored from the file.

6. REGISTRATION

To get rid of the restriction of Trial Version, you need to obtain a license and register your Smart Calendar copy. To register the Smart Calendar,

(1) Go to menu "Help > Register", registration window is shown out.

The screenshot shows a dialog box titled "License Information" with a close button (X) in the top right corner. The text inside the dialog reads: "Please note that License Id and Owner are case sensitive and ensure your Internet connection for registration. (To avoid typos, you can use CTRL+C and CTRL+V for copy and paste.)". Below this text are four input fields: "License Id:" (empty), "Owner:" (empty), "Key:" (containing the text "TVYq4s4+Mj2JleSzPd/MONc+qsdcd2IDJ2"), and "Disk Id:" (a dark greyed-out field). At the bottom of the dialog are two buttons: "OK" with a green checkmark icon and "Cancel" with a red X icon.

(2) Fill in the "License Id" and "Owner" information and click "OK" to register. Please ensure the Internet connection when registration is in process. Afterward, restart the Smart Calendar to effective the license. The License Information can be found in the CD/LicenseId.txt or in the email about license information.

Note: If firewall is setup and block the connection of registration, the registration cannot be completed. You may temporarily disable the firewall to allow the registration go through.
